

Proskur Advance

FOR THE PHYSIOLOGICAL PROSTATE FUNCTIONING

is a food supplement based on Saw palmetto oil with high titration in fatty acids, Pumpkin seed oil, Solidago extract, with Zinc and Vitamin E. Saw palmetto and Pumpkin support prostate function and, with Solidago, the function of urinary tract. Zinc and Vitamin E, included in the formula with the maximum daily dosage allowed, contribute to the protection of cells from oxidative stress.

Functional ingredients:

Vitamin E, Zinc, Saw Palmetto, Pumpkin, Golden Rod.

How to use:

1 soft gel a day, preferably in the morning, with a full glass of water.

Pack:

30 soft gel
