

# TymobronTuss

## BALSAMIC EFFECT

is a food supplement of vegetal extracts and essential oils, enriched with honey. Thyme, Drosera, Licorice and Tolu balsam promote the fluidity of bronchial secretions; furthermore, Drosera has a soothing and lenitive action on the oropharyngeal mucosa, while Thyme and Marsh mallow supports a healthy throat. Finally, Eucalyptus provides a balsamic effect.

### Functional ingredients:

Drosera, Thyme, Tolu Balsam, Marsh Mallow, Licorice, Black Currant, Eucalyptus, Lemon, Anethole.

### How to use:

5 ml twice a day, pure or diluted with a preferably warm beverage.

### Pack:

150 ml
