

Immunday baby

WITH PHYTOEXTRACTS, ZINC AND VIT C TO SUPPORT THE NATURAL BODY DEFENSES

is a food supplement of vegetal extracts with Vitamin C and Zinc. Coneflower promotes the body's natural defenses and the upper airway function. Vitamin C contributes to the normal energetic metabolism, to the reduction of tiredness and fatigue and, together with Zinc, to the normal function of the immune system.

Functional ingredients:

Coneflower, Turmeric, Zinc, Vitamin C .

How to use:

10 ml once a day, preferably in the morning. Take the product for 15 days cycles, stopping the assumption for 10 days after each cycle.
